Ultrasound Clinic News

Praise God for His steadfastness and His plan moving forward with the Ultrasound Clinic.

Praise God for blessing us with Melissa Dole RDMS who has graciously volunteered her time and expertise as my training continues utilizing our sweet pregnant "models." I am getting one step closer to my required competency in Limited Obstetric Ultrasound.

Praise God for opening the door for "model" days scheduled for July 12, 13, and 14. If you know someone in the early stages of pregnancy, 5-10 weeks, please have them contact the Center at 989-732-1626. We would love to fill the schedule.

Praise God for all of you. Thank you for your continued prayers and encouragement as we press on toward the goal of opening the Ultrasound Clinic and serving the community with excellence.

New Life PRC Mid-Year Update July ~ 2021

Hello Friends,

My words cannot fully express our joy on the evening of May 13th, at our Praise and Worship event. Over 100 people joined together in worship and songs with musicians and singers from different denominations. We were blessed with their generous spirits.

In turn, New Life PRC's various speakers told the story of New Life 2020 - 2021 (to date) which included financials, clients, limited obstetric ultrasound, and marketing to donors and potential clients. Prior to the event, we were blessed with an anonymous donation of \$20,000. All told, this was the most generous banquet we've ever had and the ministry received over \$70,000 in donations. Praise be to God...and thank you for your faithful support.

Client Update

So far in 2021, we are tracking around a 33% increase in clients over 2020, and even with COVID, 2020 experienced a nearly 66% increase in client visits over 2019. Needless to say, we have been busy. We find ourselves addressing miscarriage with some clients and have created a new outreach. We have implemented Personal Touch care boxes, and are working on finding ways to share God's love in loss with a Bible study in the fall for reproductive loss recovery.

With our parenting classes being offered online, we've had many more parents taking advantage of this option and we exceeded 90 parenting course completions in May alone. This has been such a benefit to our parents for them to be able to take courses at their convenience. A recent grant has allowed us to get more in depth with parents even though we are not always meeting in person.

Clients have told us that we are welcoming and friendly, and they love to hang out with us because of the atmosphere. We know that it's the love of Jesus seeking them out and leading them here so He can touch their lives. We feel privileged to play a tiny part in His Kingdom plans.

We are thankful to the following organizations for providing us with these grants:

People's Fund of Great Lakes Energy - \$1,500 New front door and future shed (we are looking for one).

Otsego Community Foundation, Brenden Forney Fund - \$800 Education incentive program for parents.

100 + Women Who Care - \$2,500 toward BrightCourse classes for two more years.

Northern Michigan Catholic Foundation - \$5,000 (finalizing needs).

United Way - \$500 for formula and baby food.

1,000 FOR \$5

This initiative was formed by the Gaylord Teens for Life.

Their goal is to reach 1000 donors who commit to \$5 per month for one year. When the goal is reached, the blessing to New Life PRC will be \$60,000. If this approach to donating appeals to you, let us know. We can help set up your monthly donations of \$5, or you may send your donation each month.
